MODEL UN TO MEET AT UM

MISSOULA--

The 16th meeting of the Model United Nations at the University of Montana is scheduled Monday and Tuesday, Nov. 24 and 25, in the University Center Ballroom. Seventeen high schools will send delegations, compared with eight last year.

The high schools will represent countries that are members of the UN. The students participating will learn about UN activities and goals by researching countries, writing resolutions and debating issues raised by the resolutions. The resolutions will deal with actual world problems and practical solutions.

Advisers and coordinators for the event are Drs. Harry Fritz and Manuel Machado or the UM history faculty and UM students Greg Anderson and Tom Christie, both of Billings, and Dean Gerdeman, Whitefish.
